

Wimbledon School of English and Cambridge Academy of English

Invite you to a 2-Course Deal in London and Cambridge – For 4 to 24 weeks

1st Course

The **Wimbledon School of English**, which was established in 1964, is in a lovely building with a large and beautiful garden in the famous London district of Wimbledon, home of the tennis championships.

We provide serious study with a team of highly experienced teachers and offer a wide range of general, examination & specialised courses. We are also a test centre for the IELTS & Cambridge examinations. Last year we had students from 70 different countries with an average of 240 in school at any one time. When they aren't in class our students enjoy relaxing in the garden or common room, making new friends by joining social activities such as Salsa nights, tennis & other sports, visiting London attractions, or doing some extra study using the computers & other materials in our Self-Access Centre.

Wimbledon is one of London's liveliest, safest and most beautiful places - & it's only 20 minutes from Central London. All its excellent facilities are within walking distance of the school: multiplex cinema, shopping centre, theatre, sports clubs, cafes, bars & restaurants, & a huge area of grassland, woods & lakes – Wimbledon Common. Wimbledon - the perfect place if you want to enjoy all the fun of London without the stress.

Wimbledon School of English:
quality education, perfect London location.

Unlike a 2-course meal, you can take these courses in any order you like! You can start in Cambridge and finish in London or you can do it the other way round. Whatever way you decide to do it, if you are 17 or over, you will be able to experience different parts of England, improve your English and have fun.

All you need to do is decide how long you want to study for and which school you want to start with and then send in a completed on-line enrolment form to the school where you wish to start your English course. WSE and CAE will then check availability for your chosen course, process your enrolment, send you all the information you need and look after you during your stay in the UK.

Please remember to quote 'WSE + CAE, 2-course Deal' on your completed enrolment form and indicate how many weeks you wish to study at each school.

2nd Course

Cambridge **CAE**
Academy of English

The **Cambridge Academy of English** was founded in 1975 and more than 20,000 students from over 75 countries have studied at CAE. At our school you will find a caring, friendly and hard-working environment that is ideal for serious study.

We are located in a comfortable and secure residential area on the outskirts of the world-famous university city of Cambridge. There is so much to do and see in Cambridge and you will find it a great place to study English. CAE is just over 10 minutes by bus from the City Centre and all our homestays are within easy reach of the school – normally within walking distance.

For us, each CAE student is special and different, with particular needs and objectives. We are small enough for every student to be important as an individual, but also big enough to provide excellent study and leisure facilities, and a wide range of courses and levels. We have our own cafeteria, library, multi-media room and two computer rooms. There is even a Student Club for international parties, table tennis, pool and free wi-fi internet. We also have a big, beautiful garden where you can meet and talk with your new international friends.

We feel that your time outside the classroom is as important as your work in class – that is why we have 'England is Our Classroom' as our motto.
