All our courses integrate 21st Century skills

Learning English isn't just about learning a language. At WSE, we don't just teach English. We prepare our students for life in an international world. The intercultural skills that our students need to thrive and succeed go beyond language. Several skills have been identified as crucial to succeeding in academia, business and life, and we incorporate these into every part of our programmes.

Academic Skills

These skills will be developed during your course through various activities which integrate several skills, such as:

- Group work – negotiation and communication
- Research – time management, critical thinking
- Writing essays – critical thinking, planning, organisation
- Presentations – public speaking, confidence
- Project work – creativity, negotiation, problem-solving
- Discussion activities – cultural awareness, empathy

Well-Being

We think our students' well-being is our top priority so we provide:

- Regular mindfulness sessions for students
- Dedicated mental health officer for students

- Setting monthly personal study goals
- Dedicated study skills training in class, such as understanding and using your individual learning style
- Learning about and practising successful study methods

Soft Skills

Additionally, each course includes elements of specific soft skills training, such as:

- Developing adaptability

- Improving problem solving strategies
- Developing digital literacy through case studies and experiential activities

But perhaps the most important aspect of studying at WSE is that you will meet people from all over the world, with different lives, different families, different customs and traditions. You will explore not only UK culture, but cultures around the world. You will live, work and play together, in class, in our homestays and student houses, and on our busy social activity programme. There is no better teacher than experience (although we think our teachers are the best!), and the experience you gain at WSE will give you the tools you need to be the best you can be, in an international environment.

Standard and Intensive courses

At Wimbledon School of English, we believe that effective communication is the key to language learning, as well as the goal. Therefore, on all our courses, you will be encouraged to maximise your communicative ability through pair, group and class work. As a serious academic school, we expect students to consolidate their learning with up to 2 hours of homework each evening, and we also monitor students' progress thoroughly, through weekly progress assessments, monthly tutorials, level tests and entry and exit texts.

Homestay

Most homestay accommodation is in single rooms, but we can provide twin rooms for 2 people booking and travelling together. Meal options are:

- Breakfast and dinner (half board), either 7 days a week (HB7) or 5 days Sunday to Thursday (HB5)
- Breakfast only (BB - N.B. no use of kitchen). Minimum age 18
- Independent (SC; you can use the kitchen to prepare your own meals). Minimum age 18

Homestay providers can be very different but they have two things in common:

- A genuine desire to welcome people into their homes and lives.
- A clean and comfortable home.

Students should not expect a replica of their own home. Homestays offer a taste of Britain and students may have to adapt to different homestay environments while they are in the UK. Students should also remember that the UK has a rich history and is proud of its cultural diversity. Our homestay providers are a reflection of our society and come from different backgrounds, age groups and socio-economic groups. We do not discriminate but welcome all homestays that fit our basic criteria. London is a multi-ethnic society and some homestay providers are not of English origin but all speak English to native speaker standard. We try to match students with host families and to find the right homestay for everyone.

- It is important to book early and to tell us about your requirements, e.g. diet, smoking, children and pets.
- There will be no more than 4 students in the family.
- You may arrive and leave the homestay accommodation on a Saturday or Sunday.
N.B. There is an additional charge for an extra night.

Please note:

- Many of our host families are non-smokers.
- Many British people have pets - usually a cat or a dog.
- If you are in Bed and Breakfast or Independent homestay you may not have as many opportunities to practise your English as you may not be sitting down for a meal with your host(s).
- If you are in Superior accommodation, the maximum journey time from your homestay to school is 25 minutes walking. If you are in Standard or Standard Plus accommodation, the maximum journey time from your homestay is 25 minutes by bus, 2 stops on the underground or 2 stops on the train (in peak times there maybe 3 stops).

11. If you only book accommodation for part of your stay (e.g. you book 4 weeks accommodation but have enrolled on a 24 week course) and you decide to extend your stay in school accommodation, we cannot guarantee that there will be accommodation available, especially during busy periods. This includes holiday taken over the Christmas period when the school is closed. Please give 2 weeks' notice in writing to Reception if you wish to take holiday from your homestay.
6. All accommodation payments must be made to the school. You should send the money to us at least 10 days before your arrival.
7. If you are unhappy with your homestay accommodation, the school will relocate you to a new family as soon as possible (but see note 12 above).
8. The school can only book homestay accommodation for students studying here. If you wish to have a friend to stay with you for a few days you must arrange this with your host yourself. Your host may ask your guest to pay for their accommodation.
9. Please note: because of death, illness or other unforeseen circumstances it may be necessary to change your accommodation at very short notice before you arrive or once you are here and the school reserves the right to do this. We guarantee to provide accommodation for the period you have booked but not necessarily with the same family or in the same category of family for the whole period.

1. Students will be asked to sign an accommodation contract and abide by the terms and conditions of the contract. Failure to do so means they will be asked to leave the premises and no refund will be given.
2. Students will be asked for bank card details with their booking. This is to cover the cost of any breakages or other damage to the property up to a maximum of £300. If we do not receive these details with the booking, students must provide credit card details to reception on their first day of school.
3. These accommodations are available only for complete calendar weeks (Saturday to Saturday). If you arrive before or leave after Saturday you will need to book a hotel room for the additional night(s).
4. Check-in is on Saturdays only between 13:00 and 17:00. There is a charge of £50.00 for check-ins outside these times, but please note we cannot check in students between 20:00 & 08.00.

6. Payments must be made to the school. For periods of 4 weeks or less, full payment must be made at the time of booking. For periods of 5 weeks or more, payment for the first 4 weeks must be made at the time of booking and all subsequent payments must be made in advance for a minimum period of 4 weeks per payment. We have full reception throughout the buildings. In order to connect, your computer must be capable of connecting to this standard. We cannot guarantee a connection since it is dependent on your system. We can arrange technical support from our IT consultant for a fee (POA).

Returning Students

If you return to school for another course, you are not charged the registration fee.

Pre-arrival Cancellations & Refunds

We strongly recommend that students take out insurance to cover fees and costs in case of cancellation or leaving early.

1. The registration fee is non-refundable under any circumstances.
2. Cancellation:

If you cancel up to 30 days before your course start date, your course materials & tuition fees, minus a cancellation charge of £300 + your accommodation deposit, will be refunded less any bank charges. Your registration fee will not be refunded. If applicable, your homestay fees, minus deposit, will be refunded less any bank charges. The first 4 weeks of student house, studio apartment and hostel accommodation is non-refundable.
 - II. If you cancel 31 days or more before your course start date, your course materials, tuition fees, and accommodation deposit fee will be refunded less any bank charges. Your registration fee will not be refunded. The first 4 weeks of student house, residence and hostel accommodation is refundable at 50%.

III. If you have booked the Unpaid Internship programme there is an additional cancellation charge of up to £360 if you cancel the programme after the school has submitted your documents & the application process has begun. (*the amount depends on the stage of the application process. See page 12 for full details).

3. If you cancel your course because your visa application has been refused you will need to provide documentary evidence from the relevant embassy before any refund can be considered. You must return your letter of enrolment. Once we have received a copy of all pages of the visa refusal letter including the last page with the signature of the Entry Clearance Officer & date of refusal, plus our original letter of enrolment, we will refund all monies received except the registration fee, minus bank charges.
4. If you have booked and paid through a representative the refund will be made to the representative.
5. If you have applied to the EU for a grant for a Teachers' Methodology course, you must inform us if your application is unsuccessful a minimum of 3 weeks before the start of the course. If you inform us less than 3 weeks before the start date, normal cancellation charges will apply.

Postponements and other Booking Changes

1. If you decide to change your course dates, your accommodation dates or make any other changes to your booking, there is a charge of £50 for each time you make a change, to cover the administration cost of making the changes. We cannot issue your new documents until we have received the £50 change of booking fee. This charge will not be due for any date changes made because of visa problems. However, if you require a visa for the UK please allow enough time for the visa application process before your course start date (a minimum of 15 working days).
2. If you wish to postpone your course for any reason, for example, if you need a visa and are still waiting for the visa to be issued, you must let us know at least 2 weeks before you are due to arrive, otherwise you will be charged a £300 cancellation fee. We cannot confirm a new starting date until we have received this.
3. You may not postpone the Unpaid Internship programme after the school has submitted your documents and the application process has begun.
4. You may only postpone your course if there is space available on the new course dates you wish to attend. Please also ensure that the course you wish to take is available on the new dates you wish to attend. You can postpone your course to start up to 6 months after the original start date.
5. For a postponement of longer than 6 months we will not refund the registration fee and the accommodation deposit. We will charge the cancellation of £300 if you then have to cancel the course.
6. You cannot postpone bookings for student house and residence accommodation if you inform us less than 28 days before your arrival date. If you do you will still be liable for the fee for your original accommodation dates.

Extensions

1. If you wish to extend your course you may do so, provided there is a place available. As the school is often full we advise booking an extension at least 1 month in advance. Extensions must be paid in full before a place can be reserved. Please note it will probably not be possible to stay with the same host family or in the same Student House or Hostel.
2. The course extension fee is the difference between the published price for the total weeks booked and the amount already paid.

 - I. For absences of up to 6 school days, complete a self-certification sickness form on their return.
 - II. For absences of 7 school days or more, provide a certificate from their doctor.
4. If a student misses a lesson, regardless of the reason, we cannot give a refund or allow them to take the lesson at another time.
5. If a student is absent for 10 consecutive days or more, or is repeatedly absent (e.g. 1 or 2 days per week), without authorization, they will be reported to their sponsor if they are a sponsored student, and they may be asked to leave the school.
6. If a student is asked to leave the school for poor attendance or conduct, their fees will not be refunded.
7. Students will only receive a leaving certificate if their attendance has been 80% or more.

Visas

It is the student's responsibility to ensure that they have the correct visa type and appropriate leave to remain in the UK. In the event that we find that any student does not have appropriate leave to remain, we will terminate their course immediately and they will have to return to their country. In this case tuition and registration fees are non-refundable.
